

# CIP 2010

## Circus in Performance

**The UK's Premiere Foundation Course in Circus Skills**

Full Time - 18th January to 12th April 2010. **Auditions: 5th October**

Accredited to Level 3 by the National Open College Network

*The course is a great springboard, with many graduates going onto work and study in circuses and circus schools across Europe or becoming self employed artists.*

- **Manipulation** - juggling, diabolo, devilsticks, clubs
- **Equilibratics** - unicycle, stilts, walking globe, tightwire
- **Clowning** - clowning and clown personae
- **Movement + Dance** - contemporary, street dance + movement
- **Aerial** - static trapeze and silks, hoop and rope
- **Acrobatics + Acrobalance** - tumbling, balancing, pyramids
- **Performance Skills** - improvisation, characterisation, group work
- **Additional** - First Aid, Child Protection, Health + Safety, Business

*“It has been a life changing experience.  
Something that was a far off dream is now a reality!”*
